

Research Assistant position with Professor Tarun Jain

Professor Tarun Jain (Reserve Bank of India Chair of Finance and Economics) of the Indian Institute of Management Ahmedabad is hiring a Research Assistant based in Ahmedabad from October 1, 2026 to May 31, 2027.

Requirements

- An **honest and straightforward approach** to communication.
- An open mind to learning new concepts, creativity and hard work.
- MA or MSc in Economics.
- Exceptional writing, data visualization, literature review, and analysis skills.
- Statistical programming skills in Stata or similar packages.

Responsibilities

This is a research position in an academic setting. You will assist with researching, summarizing and empirically analyzing problems in the fields of Public Finance, Markets and Public Policy, leading to journal publications and the development of a book. Examples of responsibilities include:

- Database creation from public sources
- Econometric estimation: Running regressions and other data analysis
- Literature search, summary, presentation, writing, visualization, and editing

Benefits

IIMA is a research-intensive environment. You will interact with a range of faculty members, not just me. You will attend regular workshops by both resident as well as visiting faculty members where research papers are presented and discussed. You may attend PhD-level courses in microeconomics, econometrics and statistics. The RA group is close-knit and participates in the social and cultural life of the Institute. Salaries are competitive with similar positions in India.

Best match

You should consider yourself a good fit for this position if you think you might want to pursue a PhD in economics or public policy, and want to get some experience to see if a research career is for you. The track record of my Research Assistants in top doctoral programs includes admission to PhD programs at Boston College, Boston University, Cornell University, George Washington University, IIM Ahmedabad, Oxford University, Rice University, Singapore Management University, Tilburg University, University of California Davis, University of California San Diego and University of Southern California, and University of Virginia.
